## FOREWORD

Within these pages is contained the account of the days we spent at Gretna High School. Only when we look back to these full days of living, working, and playing together, will we realize their true value. It is to help you in your remembering that we give you The Junction of 1954.

## *In Memoriam*

In memory of Dr. Oscar Lee Ramsey for his constant love and devotion to our community, for his thoughtful service freely given, for his cheerful manner and for his good will toward all.
